## THE 50/50 PARTY

- This is an ideal way to raise between \$300 and \$1,500. Great for little leagues, PTA's, and school groups.
- Sell Tickets for a bowling party that would consist of 3 games of bowling (cosmic or regular) & shoe rental (a value of \$13.25 for regular bowling or \$14.75 for cosmic)
- **EXAMPLE:** For each ticket you sell, your group keeps a portion of it (\$8.00). If people who bought the ticket do not attend the bowling fundraiser, your group gets to keep 75% of the ticket price.

Group sells 100 tickets @ \$20.00 each = \$2,000.

80 people come to the bowling fundraiser, group keeps \$640 (80 x \$8.00 ea.)

20 people do not come (20 x \$20.00 = \$400.00)

(\$400 x 75% = \$300)

**TOTAL RAISED FOR YOUR GROUP \$640 + \$300 = \$940**

## BOWL-A-THON

- Each member of the group will get people to sponsor him/her in the bowl-a-thon at a set amount of money for each pin knocked down.
- **EXAMPLE:** The bowler has five sponsors who will pay 5 cents for each pin knocked down in a three game series.

(350 series x 5 cents = \$17.50 per sponsor)

(\$17.50 x 5 sponsors = \$87.50)

Less \$12.00 for the 3 games bowled

(shoe rental

included) = \$75.50 for just one bowler

20 bowlers =

**\$1,510 RAISED FOR YOUR GROUP**

## GIFT CARD SALES

- Sell a gift card for 6 games of bowling and shoe rental for \$40 each. You purchase cards for \$25 each and make a \$15 profit on each card. Your group sells 100 cards and your **GROUP WILL HAVE RAISED \$1,500.**

## CORPORATE FUNDRAISER

- Does your non-profit business or organization need to raise money? Simply sell a "lane" for a contribution of \$100.00, \$250.00, \$500.00, or \$1,000.00 to another group who then sends six guests to a very special "party." The party would include: 2 hours of bowling & shoe rental. Remember your sale to area businesses would be tax deductible for them
- **EXAMPLE:** Your group sells all 20 lanes @ \$250.00 each (\$250 x 20 lanes) = \$5,000.00 less bowling costs of \$1,750 = **TOTAL RAISED FOR YOUR GROUP \$3,250**

## RENT-A-CENTER

- Host a party and rent a lane by the hour and receive a donation in return. Catering is available with special pricing for your event, just ask us.
- **EXAMPLE:** Sell tickets to your event for \$15 each which will include 1 1/2 hours of bowling (the amount of time can be customized for your event).  
5 People on each lane x \$15 each = \$75, less bowling fee of \$45. \$30 Profit per lane x 20 lanes = \$600 raised. Plus we will donate back to your non-profit cause at \$5 per lane, which brings the **TOTAL RAISED FOR YOUR GROUP to \$700.**

## LEAGUE REBATE

- Your group forms a short-session fun league. Along with the weekly discounted bowling fees, your participants pay an additional \$2.50 per week. Total cost per person would be \$13.00 per week - or you can choose the amount.
  - **EXAMPLE:** 10 Teams of 4 Bowlers for 18 weeks;  
40 bowlers x \$2.50 x 18 weeks = \$1,800.  
**TOTAL RAISED FOR YOUR GROUP = \$1,800**

## FUNDRAISER ADD ONS

Add one of these options to your existing fundraiser to generate even more money.

- **50/50 Raffle** - Sell tickets during your fundraiser for \$1 each, 6 tickets for \$5, 26 tickets for \$20 or 75 tickets for \$50. The winner receives half of the total and your group keeps the other half.
- **Reverse Raffle** - Tickets are purchased during the event, but as the tickets are drawn, they are eliminated, instead of winning. At the end of the event the last ticket drawn is considered the winner. You can give a prize of your own, a donated prize or half of the money that was raised.
- **Mystery Squares** - You sell squares on a board for a specific dollar amount. During the event, each square is identified with something behind it. It could be nothing, a prize or money.

## MAKE YOUR EVENT SPECIAL BY ADDING GAMES

- **NO TAP** - You choose the number of pins to knock down and anything that number or above counts as a strike. For Example: 8-Pin No Tap means if you knock down 8, 9 or 10 pins, all count as a strike.
- **BEST CLOSURE** - This game lets each lane compete against each other. Each strike is worth 2 points and each spare is worth 1 point. The total points and team rankings are constantly scrolled at the bottom of scoring display to show who is winning. At the end of the time, a winner is declared. Add your own twist by giving away prizes to the winners.
- **GRAND PRIX** - An EXCLUSIVE to our Focus scoring system, is the incredible 3D graphics of the Grand Prix Racing Game. Instead of traditional bowling scoring, this game uses the score to show a unique 3D Grand Prix Racing Game. The track has all of the bends and the curves, so everyone has something to do even when they are not bowling. The person with the highest score, at whatever interval you decide (a number of frames or a set time frame), wins the race and is awarded the digital gold medal. Second place receives a silver medal and third place receives a bronze medal.
