# Tournament Rules

- Separate Men's & Women's Divisions
- Payout Ratio is 1 in 8 for each division
- Handicap will be based on 75% of 220
- Bowl 4 games on the same pair of lanes for a four game series total. This score combined with the handicap will be the series total, which will be used for determining the final standings in each division.
- Each entry will receive a ticket for drawings to be held between each game for a variety of prizes, as well as other ways to win prizes.
- Use highest 2010-2011 final average based on 21 or more games. If this year's average of 21 games or more is 10 pins or more over last years, use current average as of March 1, 2012.
- If no last year's average, use current average of 21 games or more as of March 1, 2012.
- If you have no average, then you will bowl scratch (no handicap).
- This will be an unsanctioned tournament. All other USBC Rules will be observed, with the exception of the rules listed above.
